WE STRIVE TO PROVIDE 200% PATIENT SATISFACTION AND ARE COMMITTED TO A HEALTHY BEAUTIFUL SMILE.

SMILE WITH CONFIDENCE

Single and family coverage is provided for about 25 to 30% off usual and customary fees, included with two free exams per year.

Children covered under the age of 18 or 21 if in school. Each individual will be treated by a licensed professional doctor.

All policy holders are eligible for reduced fees covering periodontal surgery, crowns, bridges, dentures, implants, invisalign, preventative and basic services. No need for going all over town to finish treatment, licensed doctors are in one location (with some limited restrictions).

Specialist fees may vary.

Policy agreement is such that Rane's Dental Direct Discount Plan cannot be combined with secondary insurance benefits. Service rates will not be reduced without Rane's Dental Direct Discount Plan membership verification.

Fee rates are subject to change based on the customary fees for that period. Treatment plan rates will be presented at time of treatment and honored for a six month time period from the date of signature.

Providing individuals & families with quality dental care is our mission.

SPECIALIZING IN PERSONALIZED TREATMENT PLANS, SMILE MAKEOVERS AND PAINLESS DENTISTRY.
